

Celebrating 15 Years of Rheumatology Excellence

Friday - Sunday

03-05 October 2025

**Conrad Abu Dhabi Etihad Towers
United Arab Emirates**

Your premier destination for RMDs innovation in the region

Friday, 03 October 2025

Join us for a full-day **Immunology Academy** led by world-renowned educator **Professor Abul Abbas**, author of the widely acclaimed **Cellular and Molecular Immunology** textbook.

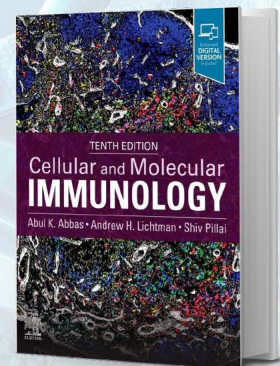

Designed for clinicians, trainees, and students, this focused program will break down complex immunological concepts into clear, clinically relevant insights for real-world application in rheumatology and internal medicine.

Featuring

Abul K. Abbas, MD

Professor and Chairman Emeritus
Department of Pathology
University of California San Francisco
USA

Moderators

Prof. Basel Al-Ramadi

Professor & Chairman
Dept. of Medical Microbiology & Immunology
College of Medicine and Health Sciences
UAE University
UAE

Dr. Lucia Delogu

Associate Professor of Biological Sciences
Khalifa University
UAE

Who Should Attend

☒ Rheumatologists ☒ Internists ☒ Fellows-in-Training ☒ Medical Students

Seats are limited. Early registration is highly encouraged.

SCIENTIFIC PROGRAM

AdARRC Immunology Academy™ presents Prof. Abul Abbas' course
on Basic and Translational Immunology for Rheumatologists

08:00 - 14:30	Registration
08:30 - 09:00	Introduction to the Immune System
09:00 - 10:00	Innate Immunity, Sensing Pathogens and Danger
10:00 - 10:15	AdARRC™ Networking & Refreshment Break
10:15 - 11:15	Antigen Presenting Cells, Antigen Presentation, T-Cell Activation
11:15 - 12:00	T Cell Subsets in Autoimmune Diseases
12:00 - 14:30	Prayer & Lunch
14:30 - 15:15	B-Cell Activation and Antibody Production
15:15 - 16:15	Immune Regulation and Tolerance
16:15 - 16:30	AdARRC™ Networking & Refreshment Break
16:30 - 17:15	Mechanisms of Autoimmunity
17:15 - 18:15	Cancer Immunotherapy and its Immunologic Complications
END OF THE DAY
