

IMAGE COPYRIGHT ASSIGNMENT AGREEMENT

This Assignment is hereby made, as of the date set forth below, from the undersigned Submitter to the Advanced Academic Rheumatology Review Course (hereafter ADARRC).

The submission of one or more images has been provided by the Submitter to ADARRC, as listed below. The images will be judged, and if selected, will be presented at the 2023 Course, as well as on the website, www.adarrc.org, and any other Course related media. All images, some of which may not necessarily be included at this time, may be included in any future updates in any form, including but not limited to electronic or book collections.

ADARRC agrees to acknowledge the contribution of all images provided by the Submitter, if such images are included in any Course related media.

The Submitter shall hereby assist ADARRC in its efforts to provide educational information in the field of rheumatology by granting and confirming ADARRC's ownership of each image submitted by the Submitter.

The Submitter, hereby assigns to ADARRC all rights, title and interest, including copyrights for the image(s), listed below and any accompanying materials supplied, as well as any revisions, in all forms and languages.

Submitters should be assured that although copyright for the image(s) is being transferred to ADARRC, ADARRC will grant permission for Submitters to publish the images elsewhere, provided a written request is received in advance.
